## **VIS – Contract with municipalities in Gjøvik-region**

Visma has signed a NOK 15 mill. contract with 5 municipalities, "Gjøvik-region", for a complete ERP solution.

The solution will support a comprehensive modernisation of the administration in the local municipalities. A common system for the whole region will facilitate an improved platform for more effective cooperation between the local municipalities in the Gjøvik-region.

The value of the contract is estimated at NOK 15 million over a period of 5 years.
