Oslo, 6. April 2006

## **VIS – Re. Sage offer**

Shareholders of Visma ASA have received the voluntary offer from Sage Group plc (the "Offer") dated 4 April 2006. The board of Visma ASA ("Board") has noted the short acceptance period until 20 April, and that it is inconvenient that a significant part of the period runs in parallel with the Easter holidays.

Visma ASA will report its Q1/06 figures on 10 April 2006, and the Board, pursuant to section 4-16 of the Norwegian Securities Trading Act, will send out a statement concerning the Offer to the shareholders.

Taking this into consideration the Board recommends the Visma shareholders to await their decision on the Offer until such formal statement from the Board is issued. The statement from the board is expected on 11 April, 2006.
