

Notice to the Oslo Stock Exchange

Oslo, 6 July 2006

VIS – Visma collect all retail-business in one strong unit

Visma acquire minority shares in Visma Retail AS and will merge the company with Vestfold Butikkdata AD, which is owned by 61% by Visma.

The new company will be renamed Visma Retail AS and will be located in Tønsberg and Billingstad outside Oslo.

New Visma Retail AS will be the largest company in Norway supplying retail solutions to food and non-food. The revenue will in 2006 exceed NOK 260 million, and the company will in addition be the largest supplier of chain-solutions in the Nordic area. The possibility to deliver complete and integrated solutions based on Visma's total portfolio, Visma Retail's main goal will be to achieve the title as market leader in retail solutions in the Nordic market.
