

Certificate

Certificate number: 2015-019

Certified by EY CertifyPoint since: October 30, 2015

Based on certification examination in conformity with the requirements of ISO/IEC 17021-1:2015 and ISO/IEC 27006:2015/A1:2020, the Information Security Management System as defined and implemented by

Visma IT*

located in Oslo, Norway is compliant with the requirements as stated in the standard:

ISO/IEC 27001:2013

Issue date of certificate: September 8, 2021

Re-issue date of certificate: January 12, 2023

Expiration date of certificate: September 14, 2024

Last certification cycle expiration date: September 14, 2021

EY CertifyPoint will, according to the certification agreement dated May 18, 2021, perform surveillance audits, and acknowledge the certificate until the expiration date noted above.

*The certification is applicable for the assets, services, and locations as described in the scoping section of this certificate, regarding the specific requirements for information security as stated in the Statement of Applicability, version 6.0, dated November 1, 2022.
